

Ear Charms™ - Floral Collection

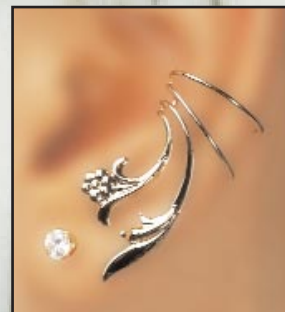

Our "Fleur De Lis" styles are as comfortable as they are beautiful. In order to keep them light as a feather, each of the delicate flowers, leaves and stone setting are individually hand soldered on to our classic 'Wave'™ design, then hand set with sparkling Cubic Zirconia or Genuine Diamonds.

Fun to Mix and Match!

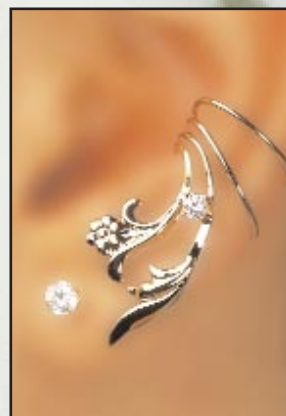

#5X-FL-CZ The Full Ear "Fleur De Lis" with Cubic Zirconia

Our full-ear "Fleur Del Lis" style © 1992 (all one piece), enwraps the whole ear in floral grace. One 3 mm and one 4 mm CZ. This is a beautiful mix and match piece worn with the short or long.

#4-FL-CZ The Short "Fleur De Lis" with Cubic Zirconia

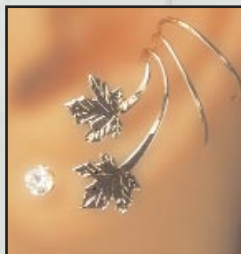

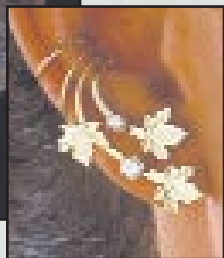

Each is set with a 3 mm (10 points) Cubic Zirconia. The short length is designed to add charm to another earring. On small lobes it can be worn alone. (A matched pair can also be worn all on one ear to create much the same look as the #5X-FL-CZ.)

Long or Short, no one complains when these leaves blow their way.

Three Maple Leaves and two Cubic Zirconia. These are some of the most popular, with both pierced and non-pierced people. One 3 mm and one 4 mm CZ. Covers the ear lobe.
